Philips
Pressurised ironing system

GC8280

Great results, minimum effort

Endless, powerful steam with 1.4 Litre water tank

Powerful yet surprisingly compact, this ironing system produces non-stop high steam with high pressure, making ironing fast and easy. Thanks to the 1.4-litre detachable water tank, you can iron for hours without interruption.

Iron up to 3 hours without refilling
- Xtra large detachable 1.4 litre water tank

Faster ironing
- Up to 5 bars of steam pressure for fast ironing
- Steam is ready at maximum level in 2 minutes

Easily removes creases
- Continuous steam output up to 140 g/min
- Steam Tip lets you iron right into hard-to-reach areas
- Lightweight iron for effortless ironing

Simpler ironing
- LCD display to easily change settings

PHILIPS
sense and simplicity

Specifications

Smooth gliding
- Careeza soleplate: For exceptional gliding on all fabrics

Simpler ironing
- Easy Control: Ensures clear feedback on settings
- Water hardness selector: Makes your iron last longer
- Language selector: Lets you choose your preferred language
- Sound on/off selector: To turn sound on or off
- Pre-programmed temperatures: Precise temperature settings for twelve fabrics
- Rinse reminder: Indicates when the boiler needs to be rinsed

Longer lifetime
- Calc clean function: Simply rinse the boiler every 10 ironing sessions
- Inox boiler with external heating element: Calcium will not stick to the boiler wall.

Easy storage
- Cord & hose storage: For a neat storage of cord and hose

Easily removes creases
- Continuous vertical steam: For use on hanging fabrics
- Optimal vent pattern: For the best steam distribution

Reaches into tricky areas
- Button groove: Speeds up ironing along buttons and seams

Full control
- Temperature-ready indicator: Goes off when the set temperature is reached
- Steam-ready light: Shows when right steam level is reached
- Tank empty light: Shows when water tank needs refilling
- Variable steam setting: Variable steam settings to suit every garment

Comfortable ironing

- Extra-large water inlet: For fast, easy filling
- Steam trigger lock: Gives steam without needing to press down
- Extra-long cord: For maximum reach
- Extra-long hose: For maximum reach
- Crystal Clear water tank: Highly visible water level

Safe ironing
- Electronic safety shut-off: When iron is left unattended
- Programmable safety shut-off: The iron automatically goes off after a set time
- Overheat safety stop: Prevents the boiler from overheating
- Stable heel rest: Keeps the iron stable when standing
- Iron lock: Safely lock the iron on the base
- Four rubber feet: Ensure the stand does not slip

Protects your garments
- Drip-stop system: Keeps your garments spotless while ironing

Technical Specifications
- Supply voltage: 230 V
- Frequency: 50-60 Hz
- Boiler wattage: 1200 W
- Iron wattage: 800 W
- Cord length: 2.5 m
- Hose length: 1.9 m

Weight and dimensions
- Weight (incl. packaging): 6.06 kg
- Dimensions: 350 X 350 X 250 H mm
- Pallet: 48 pcs

Product highlights

Xtra large detachable 1.4 litre water tank
To make ironing effortless you need a lot of steam. High steam output means a lot of refilling. The extra large 1.4 l water tank reduces the need of refilling.

LCD display
The LCD feature"s: 12 different pre-programmed precise temperature settings, Fabric type temperature setting, Sound on-off, Programmable auto off (5, 10, 20, 30 min), Water tank empty indication, Automatic drip stop, Calc clean rinse warning, Input of water hardness, Steam trigger lock (ON/ OFF), 8 different languages (English, French, Dutch, German, Italian, Spanish, Portuguese).

Steam Tip
The unique Steam Tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Lightweight iron
The iron is lightweight, making ironing easy and effortless.
